

FLORALBA

Prosecco is enjoying huge popularity at the moment, but there are very varied quality levels and it is essential for this quintessential Italian fizz not to lose sight of the quality and character. Floralba Prosecco Spumante Extra dry has been very carefully made in order to retain the natural characteristics of the wine.

FLORALBA | Prosecco Spumante DOC Extra dry

Floralba Prosecco has fine bubbles, with a classic Prosecco aromatic nose. The wine is very soft on the palate, offering refreshing acidity with lots of mouth-filling tropical fruit and citrus flavours. This is an enjoyable, everyday drinking wine, ideally served as an aperitif.
