

Denatile is a pair of Sicilian wines, where we have introduced some classic international grape varieties. The native Sicilian Grillo is blended with Chardonnay, giving it a different, more rounded character. With the flagship red grape variety of Sicily, Nero d'Avola, we have blended Shiraz, which adds a certain spicy character and extra depth. Both Chardonnay and Shiraz are very successfully grown in Sicily, with plantings starting to increase as the demand grows.

DENATILE | Grillo–Chardonnay Terre Siciliane IGP

Lively, straw colored with golden overtones, this wine has an intense and charming bouquet with hints of citrus fruits developing into tropical fruit flavour. The palate is rich and well balanced. Denatile Grillo–Chardonnay is perfect to be served with savoury starters, fish, and grilled meat dishes.

DENATILE | Nero d'Avola–Shiraz Terre Siciliane IGP

Deep red colour, this elegant wine is rich and well balanced. The bouquet is fruity, floral and spicy, with hints of vanilla and tobacco. Round and full on the palate, with soft tannins, it's ideal served with mature cheese, oven–baked pasta, roasted meats.
