INTEGRO is the Italian definition for intact, whole, complete: with this couple of traditional organic wines Primitivo and Negroamaro, from Puglia we totally respect their provenance by keeping the terroir untouched by any chemicals or pesticide.

Our philosophy is to be in perfect harmony with nature, intervening only when absolutely necessary, thereby ensuring that each and every grape expresses its own individual personality.

PRIMITIVO | PUGLIA IGP 

100% Primitivo grapes

colour bright ruby red with touches of purple. The bouquet is pronounced, with cherry blossom and some spice. Well-balanced with sour-cherry fruit and a persistent finish. Perfect with Pasta dishes, Spicy dishes, Pizza with sausage, spare ribs and game.

NEGROAMARO | PUGLIA IGP 

100% Negroamaro grapes

colour intense red with hints of purple. The bouquet is intensely fruity, reminiscent of raspberries and strawberries. Full-bodied, well-balanced with a good finish. Perfect with Pasta dishes with tomato-based sauce, red meat and game.
