THE TERRITORY OF  
PUGLIA

*puglia*

CARLOMAGNO FIANO AND PRIMITIVO are genuine natives of southern Italy, and they too express the traditions, character and spirit of the south, with its tremendously long history of Winemaking.

## PRIMITIVO **APPASSIMENTO**

*puglia*

INDICAZIONE GEOGRAFICA PROTETTA

Intense ruby red colour, with a complex aroma reminiscent of cherries, raspberries and currants. The oak ageing adds a pleasant toasty, spicy character.

The palate is full bodied, soft and long-lasting. Perfect with reds meats and strong cheeses.

## FIANO

*puglia*

INDICAZIONE GEOGRAFICA PROTETTA

Straw yellow with greenish hues, the intense bouquet is of tropical fruit such as melon and banana, with hints of grapefruit. The palate is well balanced, with good acidity and length. Ideal with seafood and fish, this wine also pairs well with white meats and cheese. Serve cool, at 12 °C.
