

Santa Tresa is an ancient Sicilian winery in Vittoria, in the south east of the island. We have absolutely ideal grape-growing conditions; our vineyards benefit from the hot Sicilian sun and cooling sea breezes, enabling us to produce organic wines which show the ultimate, pure expression of their grape variety and have a real Sicilian soul. We have undertaken considerable replanting and upgrading in our wonderful “terra rossa” vineyards and winemaking is overseen by the highly respected Stefano Chioccioli, all resulting in excellent quality, highly characterful wines.
